3. [REDACTED] Received a call from Mr. Paul Goulding, Assistant to Congressman Poll, inquiring for a constituent who was present in his office concerning summer employment. I advised Mr. Goulding that although we did have a program for dependents which I had previously discussed with him, we had no position vacancies outside that program. Mr. Goulding thanked me very much for the information and stated that this particular case was sufficiently interesting to the Senator that he wanted to confirm his recollections of our previous conversations.

4. [REDACTED] Met with Mr. Harry Cremer, Foreign Affairs Committee staff, and momentarily with Mr. Zablocki, concerning the Far East Committee visit to the Agency on Monday, 22 March, and reviewed with them the plans for getting the Committee to the Agency on Monday morning for a 9:30 meeting with the Director. I also talked briefly with Congressman William S. Matilliard (R., Calif.) on this same matter.
